

Midwifery Insight Afternoon

**Wednesday 22nd of August 2018
1pm-5pm**

**Ishbel Gordon Building,
Robert Gordon University**

Considering your future career as a Midwife?

Come along to hear more about the role and essential skills of the Midwife, and learn about the women and families they care for through a series of interactive workshops. Speak with and discover the experiences of Midwives, current student Midwives, and women, and learn about the application process for RGU's degree in Midwifery.

Spaces are limited and registration is essential.
