ANNUAL APPEAL

ST MARGARET'S FUND

DID YOU KNOW ST MARGARET'S IS A CHARITY?

Registered with OSCR, we provide means-tested bursaries as part of our charitable responsibilities.

Over
100 pupils have received bursaries
in the past 5
years alone

But we would
like to do more.

WHAT IS THE ANNUAL APPEAL 2020/21

This is an appeal to you to help fund an additional six means-tested bursaries for senior school pupils through donations to the St Margaret's Fund, our dedicated bursary fund.

WHY YOUR HELP IS NEEDED

Our bursary programme is funded by careful management of school finances together with gifts from donors. Demand for bursary support, however, grows every year. The school unfortunately does not have the resources to support every application.

We are committed to doing all we can to ensure financial disadvantage does not prevent girls from joining our school - can you help?

"St Margaret's staff really go the extra mile to make sure every girl fulfils their potential. They did for me and I am sure I wouldn't be doing what I am today without them"

ANNIE, CLASS OF 2016

"I was fortunate to have been a recipient of St Margaret's bursary during my final 2 years of secondary school. The quality education that the bursary granted me is the reason that I am now studying Economics at the prestigious London School of Economics and Political Science (LSE), sponsored by Sir Stelios. The opportunities that the bursary granted me have been stepping stones to my career progression and achievements. For this, I will always be grateful to the donors of these bursaries."

giftaid it

Join our community of Regular Donors with a monthly donation of £5, £10 or £20, plus Gift Aid.

Just 50 people donating £20 per month would support a bursary pupil for one year.

Please help - you can give the gift of opportunity to girls who would not otherwise be able to attend our school.
