

**ST MARGARET'S**  
SCHOOL FOR GIRLS

**WEEKLY NEWS**  
**5th - 9th January 2026**

# A snowy start to the new term

The new term certainly began with a wintry surprise, as snow and icy conditions caused unavoidable disruption to the start of the week. While it was disappointing not to be able to welcome everyone back as planned, the safety of our pupils, families and staff must always come first.

We would like to extend our sincere thanks to our staff for their flexibility, professionalism and dedication during the closure and throughout our return to school this week. Their hard work behind the scenes ensured that the transition back to normal routines was as smooth as possible once conditions improved.

We are also extremely grateful to our parents and pupils for their patience, understanding and support. We truly appreciate the positive messages and cooperation we received while decisions were being made at short notice, and we thank you for working with us during this challenging start to the term.

It has been wonderful to see the school come back to life again this week, with classrooms buzzing and pupils settling quickly back into learning. We look forward to a settled and productive term ahead and thank you once again to our whole school community for your continued support.

# New Staff

## Welcome to St Margaret's School for Girls

---

Miss Karen Low joins St Margaret's this week as PA to the Head. Karen has extensive experience in school administration and is looking forward to getting to know St Margaret's families and to being able to decipher Miss Tomlinson's handwriting!

Mrs Nicola Ord is our new part-time receptionist who will be working in a job share with Mrs Knight. Nicola joins us after a long career with Police Scotland. She is already enjoying meeting girls and parents in the school office.
