This week at St Margaret's Nursery

Week beginning: 30th April 2018

Literacy - the letter 'w'

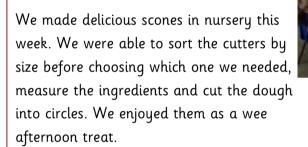

variety of activities to learn about the letter 'w'. We can practise writing the letter 'w', write words that begin with 'w', make walruses and whales for a 'w' display and we can follow patterns on the promethean that will help us with 'w' formation.

A weighing experiment using a hanger and some carabineers to work out which nursery objects were heavier, lighter or weighed the same. Measuring and pouring in the water tray.

Health and Wellbeing

Waterina our seeds.

Changing the consistency of cream; talking about safety and using a whisk to whip cream.

We can now use our finger to draw in the

cream as it has gone from runny to thick.

boards outside.

Using the wickets at gym to practise our aim.

Grow Well Choices

We introduced the characters: Hamish the Horse, Hazel the Hen, Heather the Highland Cow and Lewis the Lamb and the theme this week was 'Be Active Together'. We played games outside and

talked about how we felt after exercise.

All pre-school children are encouraged to be physically active for 3 hours per day.

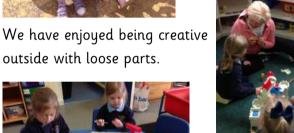

Anything else?

Our walking rainbow water experiment. We watched the

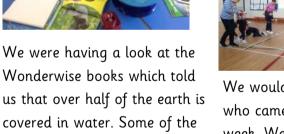

children began exploring a globe and printed a picture of the earth from the computer to colour in how much water that

was.

week. We hope you enjoyed your time in nursery. Feedback on the session is

appreciated. We are interested in hearing your ideas.

What will we be learning about next week? The letter 'h', measure and Grow Well Choices week 2 - Eat Well Together.
