

This week at St Margaret's Nursery

Week beginning: 8th May 2018

Literacy - the letter 'h'

1

We are becoming experts at finding letters in our environment.

Wee Green Spaces

2

At Wee Green Spaces we climbed up high, found different ways of coming down a hill and made our own swing. Everyone agreed that rolling down the hill was the most fun!

Numeracy - Measure

3

Hug something bigger than you.

Recording our findings.

Hide behind something that is very big.

Put something very small in a bucket.

Put 3 small things in a row.

Bring me the smallest thing you can find.

Run to something that is bigger than a tree.

4

Health and wellbeing - Grow Well Choices Session 2—Eat Well Together

The children have been learning about the Eatwell Guide this week which is a visual illustration of the food groups required to achieve a well balanced and healthy diet. The children explored each of the Eatwell guide's coloured sections and which foods belonged in each section. We played an Eatwell Corners game to help us learn which foods go into which section.

Health and wellbeing - Grow Well Choices Session 2—Eat Well Together

The children made healthy choices at lunch and snack times and went shopping to buy different items to sort on our large Eatwell guide plate. The children have enjoyed being actively involved in their learning. How did you get on at home?

Anything else?

We have lots of opportunities to use loose parts in our play.

Thank you to Archie's mum who came in to read stories this week.

What will we be learning about next week?
Continue Grow Well Choices—Eat Well Together,
the letter 'v' and measure.
